## 6. Customer Investment Objectives and Risk Tolerance

Select the categories that best describe your investment objectives (and if joint, that of any co-applicants) and the risk that you are willing to assume in this account. Different investment products and strategies involve different degrees of risk. The greater the expected returns of a product or strategy, the greater the risk that you could lose some or all of your investment. Investments should be chosen based on your objectives, timeframe, and tolerance for market fluctuations. (Note that a secondary investment objective is not required.)

### Investment Objective Descriptions

- Capital Preservation:** The object of capital preservation is to protect your initial investment by choosing investments that minimize the potential of a loss of principal. The long-term risk of this strategy is that returns may not offset inflation.
- Income:** The primary objective of the income strategy is to provide current income rather than the long-term growth of principal.
- Growth:** The objective of the growth strategy is to increase the value of your investment over time while recognizing a high likelihood of volatility.
- Speculation:** A speculative objective assumes a higher risk of loss in anticipation of potentially higher-than-average gains by taking advantage of expected price changes. You recognize and are able to bear the full risk of the loss of some or all principal in such investments.
- Liquidation:** Complete liquidation of account assets.

### Risk Tolerance Descriptions

- Low (Conservative):** I want to preserve my initial principal in this account, with minimal risk, even if that means this account does not generate significant income or returns and may not keep pace with inflation.
- Moderate:** I am willing to accept some risk to my initial principal and tolerate some volatility to seek higher returns, and understand I could lose a portion of the money invested.
- High (Aggressive):** I am willing to accept high risk to my initial principal, including high volatility, to seek higher returns over time, and understand I could lose all or a substantial amount of the money invested.

## CASH SWEEP PROGRAM DISCLOSURE

Wilson-Davis & Co.'s ("WDCO") Cash Sweep Program offers you the ability to automatically sweep available cash balances in your account into the Dreyfus Money Market Funds. Participation in the Cash Sweep Program allows you the possibility of earning interest or dividends on the cash in your account. Fund selection between the General Fund and the Treasury Fund will be at the discretion of WDCO.

**How the Program Works.** If you are enrolled in the Cash Sweep Program, WDCO will invest the available cash balances in your account in one of the Dreyfus Money Market Funds managed by The Dreyfus Corporation. Once you are enrolled, the cash balance in your account will automatically sweep into the Dreyfus Money Market Fund, typically on a daily basis. If you make a deposit to your account, it may take up to 2 business days before your deposit sweeps into your Cash Sweep option, and will constitute free credit balances until they are swept.

Balances in the Cash Sweep Program can be liquidated upon your request and the proceeds returned to your brokerage account or to you. Dreyfus may place limitations on timing and/or amount of withdrawals permitted, and you should read the fund's prospectus carefully before making an investment. You may access your funds in the Cash Sweep Program only through your brokerage account. You cannot access or withdraw cash sweep program funds directly from the Dreyfus Money Market Fund.

Funds are withdrawn automatically from the Cash Sweep Program to satisfy any debits created in your brokerage account when you purchase securities or request a withdrawal of funds. The availability of funds for making payments, withdrawals, or transfers from your account is governed by any and all of the agreements you have entered into with WDCO in connection with your account.

**Fees.** No direct fees will be assessed to your account or deducted from your specified rate of return on the Cash Sweep Option. (Except as follows)

### **Liquidity Fees and Redemption Gates.**

The SEC's rule changes give the boards of money market funds the ability to manage redemption activity during times of market stress. Retail and Institutional funds may impose a redemption fee of up to 2% of redemption proceeds or temporarily suspend redemptions (referred to as a gate) if the fund's Weekly Liquid Assets fall below 30% of the fund's total assets and the board determines that imposing a fee or gate is in the fund's best interest. Weekly Liquid Assets include cash, U.S. Treasury securities, certain other government securities with remaining maturities of 60 days or less, and securities that convert into cash within five business days. Retail and Institutional funds must impose a redemption fee of up to 2% if a fund's Weekly Liquid Assets fall below 10% of the fund's total assets, unless the board determines that doing so would not be in the best interests of the fund. Once a fee or gate is imposed, it remains in effect until the fund has 30% or more of its assets invested in Weekly Liquid Assets or the funds' boards determines that a fee or gate is no longer in the fund's best interest. A gate may remain in effect for up to 10 business days within a 90-day period only. In the event that a liquidity fee or redemption gate is imposed, the fund will still price its fund shares according to the times listed in the fund's prospectus.

**Participation is Optional.** You are not required to participate in the Cash Sweep program. You may opt out at any time by sending a written request to your registered representative and requesting to stop participating in the Cash Sweep Program. If you decide not to participate, WDCO will hold the available cash in your account in the form of a free credit balance. Free credit balances are payable to you upon demand. WDCO may use your free credit balances to fund certain of our business operations, as permitted by law, and may earn income through such use. WDCO is under no obligation to pay interest to you with respect to your free credit balances.

**Important Notices.** If you chose to participate in the Cash Sweep Program, WDCO will automatically sweep the available cash in your account into one of the Dreyfus Money Market Funds managed by The Dreyfus Corporation. The Dreyfus Corporation is not under WDCO's control. Information regarding the Dreyfus money market funds and the prospectus for the Dreyfus General Money Market Fund can be found at [www.dreyfus.com](http://www.dreyfus.com).

WDCO may receive a 12b-1 distribution fee, service fee, sub-transfer agent fee, recordkeeping fees and/or other compensation from money market funds and/or their affiliates. Money market fund prospectuses contain additional information about compensation.

WDCO may, upon prior notice to you, change, add or delete products available through, or the terms and conditions of, our Cash Sweep Program. Further, WDCO may, upon prior notice to you, change the Cash Sweep option in which you participate from one option to another. If you do not object to any such notice within 30 days, WDCO will treat your non-response as acceptance of the program change. If WDCO makes such a change, there is no guarantee that the change will provide an equal or greater rate of return to you during any given period, and may be lower.

Money market funds are securities and, (i) are not insured by the FDIC, (ii) carry no bank or government guarantee, and (iii) are subject to investment risk, including loss of principal amount invested. Federal banking regulations require each financial institution in the Cash Sweep Program to reserve the right to require seven (7) calendar days prior notice before a withdrawal of any deposit.

WDCO is a member of Securities Investor Protection Corporation ("SIPC"), which insures funds swept into money market funds as follows. Customers are protected up to the applicable SIPC limits in the unlikely event that WDCO were to become insolvent and there were customer securities or funds unaccounted for. Current SIPC limits are \$500,000 for securities and cash per customer, of which up to \$250,000 may be in cash. Money market mutual fund balances are considered to be securities and are subject to the \$500,000 limitation of SIPC protection. SIPC does not provide protection against market losses or the failure of the money market fund. Information regarding SIPC, including a SIPC brochure, may be obtained by contacting SIPC via its website at [www.sipc.org](http://www.sipc.org) or by telephone at (202) 371-8300.
